Handled With	Excellent heifers to handle. Bikes , On foot , Vehicles												
Assessor Comments	A great opportunity to secure Angus heifers with calves at foot. Heifers are Alpine Angus bloodlines, originally purchased as heifer weaners from Myrtleford A/c J & B Fraser. Calves at foot are sired by Rennylea Angus bulls. Heifers are Medium frame displaying plenty of length and depth, and are milking well presenting in healthy forward condition. A quality line of young females that would complement any commercial Angus herd.
