4 Head White on Udder/Naval

Assessor Comments

On offer is a magnificent line of Vendor Bred PTIC Angus heifers. These heifers are sired by sale topping Rennylea Angus bulls with the vendor not sparing any cost to secure the best genetics possible from this well renowned stud. These heifers are extremely quiet and have been joined to two outstanding sires, Landfall Angus TFA22T62 (11/11/24 - 16/12/24) and Landfall TFA22T187 (16/12/24 - 6/1/25), due to calve from 21/8/25 - 16/10/25. Both sires were purchased at the Landfall Autumn Bull Sale in 2024, averaging \$27, 000, representing the extent the vendor goes to in order to achieve maximum results, EBVs in photos. Heifers have received all their treatments and are even with the tough season are in good condition. These heifers represent a unique opportunity to secure a vendor bred line of PTIC Angus Heifers from a very classy angus herd. Buyers please note there is 1 other lot in today's sale, drafted only on weight.
