| Assessor Comments                     | 50 x 50 Watervalley Black Cows (368.8kg curfew with their first calf at foot Ave 140kg. The cows are 3 years old, with approximately 10%, 2 and 4 years old. The cows have been individually weighed and present in store, and fresh store condition with good medium frame that will further mature. True to Angus type, with a approx 10% showing cross bred influence. Cattle have been subject to drier conditions but have the ability to go forward. The cows are holding body condition well raising good angus calves, which present as being well grown for age and fresh. The cows have not been rejoined. Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. |      |                                                              |      |                                     |      |
