Assessor Comments	An outstanding run of exception well bred, vendor bred Landfall PTIC heifers joined to Landfall bulls. Tumbe Munda have been landfall blood for 20 years plus. These Heifers come with a great reputation and would be a great asset to any herd. Heifers are only been offered due to the ongoing dry conditions and reduce numbers. These Heifers are a in ideal condition for calving and have the tight joining of just 34 days.
