Assessor Comments	An ideal opportunity to purchase a line of Angus cows, which are the tops of the cattle up for sale from this vendor this week. 2 to 4 years. The vendor is downsizing due to the very dry conditions. The cows present in store to forward store condition. These cattle have been handled very well and are very well tempered. Normally they would be kept as breeders, but the dry season has dictated that they have to be moved on. They have been on hay and natural pastures and are at Strathalbyn sale yards on hay till delivery. A neat line of breeding cows which will produce quality calves for years to come.
