Assessor Comments	An ideal opportunity to purchase a line of Angus cows, these are the seconds of the cows up for sale from this vendor this week. 4 to 6 years of age, in light store condition. 396 kg curfewed. The vendor is downsizing due to the very dry conditions. These cattle have been handled very well and are very well tempered. Normally they would be kept as breeders, but the dry season has dictated that they have to be moved on. Ideal to do a fattening job on. They have been on hay and natural pastures and are at Strathalbyn sale yards on hay till delivery. A neat line of lighter breeding cows which will produce quality calves for years to come.
