	Exceptionally quiet. There are cattle in this herd that can be walked up to in the paddock and touch. Superb cattle for temperament.		
Handled With	Bikes , Vehicles		
Assessor Comments	Exceptionally quiet cattle and an outstanding example of what a quality herd can be. They are front paddock cattle in every area. Temperament, carcass, maternal, bone and structure. Highly recommended for those that love quality. They did an excellent job on their first calves and are now due on their second calf. PTIC to the Angus bull
