Assessor Comments	Buyers, this is a great opportunity to purchase a top line of well bred Charolais cross heifers averaging 381kg. These heifers have tremendous softness, volume and length of body, showing great spring of rib. Heifers ooze bred quality having been bred out of top quality genetics. Heifers are bred by the Price Family at Aramac using top quality stud Charolais sires. Heifers were bought NSM and have been kept away from bulls and preg tested PTE on the 18/3 by roma vets. This is a great line of well handled heifers to handle both in yards and paddock. This heifers would make ideal future breeders.
