Assessor Comments

A good line of Brangus cross steers, averaging 300kg at assessment. Steers are still following their mothers around, but need to be moved on. Sired by either Brangus, Angus or Black Simmental bulls, out of Brangus cows, these steers would suit a background operation. Steers are renowned for performance and have won champion pens at local steer and bullock shows. Same vendor has a brother lot offered in same sale at a different property.
