A very good quality line of Angus x Angus and Angus British cross steer calves on offer. Weaners present in Fresh condition and were bred out of big framed cows and were sired quality Branga Plains and Tandara Angus bulls. Steers are deep bodied while showing lots of thickness and stand on good bone, weighing to healthy top of 399 to avg 335 kg at assessment, cattle offer a quick turn around for backgrounding or are more than suitable to finish for a domestic or export grass market. Quality weaners not too be missed on the back of excellent wide spread rain. Grass fed and Antibiotic free - Declaration available. Please see a line heifer weaners from the vendor in this same sale.
