Steers were a pleasure to assess and flowed through yards well displaying the yard weaning program at Sherwood. Odd weaner was excited in crush but settled back into mob quickly.

Assessor Comments	A very good quality run of Angus steers out of the renowned Sherwood herd to sold as two decks. Steers have been yard weaned for 7 days and then turned out onto improved river flats and have really come away on the back of recent rain in the area. Sherwood cattle are known for their do-ability and perform very well in feedlots. These steers will reach feeder weights quickly and domestic/export weights if given the chance. This is the complete drop of Angus steers with a 20% tail removed at assessment. Hazeldean & Te Mania bulls out of Hazeldean/Boco blood cows.
