Assessor Comments	Annual sale of heifer calves still on Mum until delivery. Lovely and quite to handle with cattle handled frequently with no stress handling both in the paddock and the yards. Soft coated, sappy calves that will grow out and fatten for the processor or to run and join to a bull of choice. Heifers averaged 334kg full. Please note: Can help with cartage to Wagga marketing centre with weekly market trucks. Also red/roans and black heifers and black/BB steers of same vendors also in this sale.
