Assessor Comments	Well bred Angus heifers that have been pregnancy tested empty and presenting in store to fresh store condition. Bred out of volume cows in the South/Eastern slopes country of Holbrook with sires sourced from Ardrossan, Jarobee and Hazeldean, these heifers present with all frame and given the opportunity will pile on the kilo's to finish with weight for a lucrative Winter/Early Spring kill. Warrah bred cattle are noted performers and will steam ahead shown the right feed conditions. Noted an odd heifer with an odd wart on face/neck. Two decks of heifers with easy trucking access located on the Hume Highway 32km North of Holbrook.
