Vendor Comments

Annual sale of our spring drop weaners. These calves have not missed a beat and will grow into top bullocks

Handled With	Generally very good to handle these steers have been trained through the yards over the past 4 weeks and flowed through with no issues. Odd steer became agitated when singled out but once back with his mates calmed down quickly.

Assessor Comments	Terrific line of steers bred in the purple. These tops of the drop steers are sired by sons of Gar Ashland & SS Brickyard with a strong emphasis on carcass and growth. Previous years drops have hit heavy export weights before cutting teeth. Highly recommended line of weaned Angus steers that will not disappoint.
