Assessor Comments	Buyers a nice line of young Speckle Park sired breeders PTIC to Wattle Grove Speckle park bulls, these young breeders are on their first and second calf. A good opportunity to get into the speckle park industry. With young matrons with their whole breeding lives ahead of them. Ideal for the smaller holding or to add to you herd. Odd cow with a slight blue eye. Only being sold due to loss of Agistment paddock. One heifer has an old injury to her front off side foot. She appears to be moving fine on it and i doubt it will affect her ability to raise a calf.
