Assessor Comments	A nice line of quiet Station Mated Heifers & Calves. Heifers were bought ex Carcoar Blue Ribbon Weaner Sale from Bannaby Angus Stud. Calves weighed from 53 to 131kg at assessment and averaged 94kg. An excellent line of Heifers & Calves that would either enhance an existing herd or build a strong foundation for the purchasers herd. A Millah Murrah blood Angus bull has been running with these heifers since 01/11 and will be running with the heifers until delivery. A possible 3in1 unit awaits the purchaser! All Heifers and Calves marked, drenched and vaccinated. See video.
