| Vendor Comments    | Five good quality black Angus heifers, 18 months old. Being sold because of low feed levels on property due to excessive native animals. Quiet and well socialised.                                                                                    |                 |      |                 |  |           |     |       |      |      |     |  |  |

| Assessor Comments      | A great opportunity to secure a line of southern tablelands bred heifers PTIC in calf to a Billaglen stud angus bull. These heifers are presented in store condition and handle well in the yards. Due to calve in the spring. Please note 3 heifers have white udders, 1 has a grey tinged coat & 1 heifer has a scared eye.                                                                |                                           |                |
