Assessor Comments	First-class line of PTIC Rennylea Angus heifers with 11 head in calf to elite Rennylea AI sire RENNYLEA T458 (link attached; IMF 7.4) to commence calving approx 23rd July – please see additional joining details & individual joining dates attached. The Skinners are very passionate Angus breeders and have been using AI throughout the herd for the past 8 years to turbo charge genetic gain. Selection pressure is placed on every female with a hard-line approach to culling on visual, structural soundness, temperament as well as genomics (heifer select data attached) in the last 4 years. Steers from this herd have won multiple awards including most recently coming first at Beef 2024 National Beef Carcase Competition. Only being sold due to having sufficient numbers and very high conception rates providing an outstanding opportunity for someone to purchase females from an elite breeding program. Please note; vendor also has two other lots of cows in this sale.
