Assessor Comments	Nice line of store condition breeders. All doing an excellent job with their bright eyed young Rangan Charolais poddies at foot. These units would be perfect lot to put some weight in to, then either re-join, or appreciate their split value in a buoyant cow market. Cows are in light 2 score condition, without being overly large framed, making them ideal, early compensatory weight gaining, fast fattening bodies to take on and do a quick, easy job with, plus the added bonus of a 3/4 Charolais calf to split off at any point! A small line of easy, 'no brainer' investment cattle.
