Assessor Comments	On offer are 126 Station Mated Dorper Ewes. Currently with 32 Australian White x Dorper lambs at foot. Ewes are 1.5 (Blue tag) to 6 year old (Green tag), with the majority being Red tag (50 Head) and Yellow tag (64 Head). Doing a good job on their lambs after only running on native pastures. Ewes have been continuously running with AW Rams up until the time of assessment. A tidy line of ewes in the prime of their breeding lives to add to or start someone's shedding sheep program.
