	Generally stirry cattle to handle, however they are workable and not considered dangerous.

Handled With	On foot , Vehicles
Assessor Comments	A line of very well bred PTE 2 1/2yo Angus heifers from "Barlona". They have had one calf and failed to get back in calf due to seasonal conditions and suspected bull breeding issues. These heifers presented in genuine store condition. They are by "Landfall" & "Platinum" Angus sires. They will steam ahead given the opportunity. Ideal to put onto feed and fatten for medium term turnover or join as Autumn breeders. Nil Grain, Nil Antibiotics and Greenham Never Ever accredited. Note: the vendor has 2 other PTE lots in this sale.
