Assessor Comments	Buyers a good line of Angus & Red Angus steer yearlings averaging 314kg. These steers are a fairly even line with only 48kgs from lightest to heaviest and extremely quiet and easy to handle. These steers were purchased in Spring to take advantage of available feed and are now being offered as a finishing job suitable for winter contracts. They have good frame and length of body with most of the growing done. Given the opportunity, it would not take long for these steers to grow out in well finished cattle suitable for all grassfed markets being Greenhams NE acc. and NG/NA
