	These steers were pleasant to handle through the yards and crush. They stood well on the scales and most of the mob walked off calmly.

Assessor Comments	The third draft of "SPRING VALLEY" calves on offer today. These calves are in the process of being yard weaned on hay and will be ready to start going forward from arrival. Calves that show great length of body with plenty of softness and shape. Backed by landfall blood they are steers set to grow into heavy trade or bullock weights.
