Assessor Comments	Buyers a nice line of black baldie steer yearlings averaging 308kg. These steers were March/April 2024 born (12-13 months) and are a very quiet and easy to handle line. They are an even group with 63kgs from lightest to heaviest. These steers are majority large in frame and are well grown, ready to stack a lot of weight on quickly. They have shape and length, and would not take long to steam ahead and perform given the chance. They should continue to grow out into medium to heavyweight cattle suitable for all grassfed markets being Greenhams NE acc. and NG/NA Note: Vendor has two other lines in this sale
