Assessor Comments	Buyers a small but handy line of Murray Grey heifer yearlings averaging 382kg. These heifers were a very even line with 62kgs from lightest to heaviest, and were extremely quiet and easy to handle. They have good growth for age with length, depth, shape and style. Going forward, these heifers will continue to grow out into well finished medium to heavyweight heifers suitable for all grassfed programs being Greenhams NE acc. and NG/NA
