Assessor Comments	A good line of genuine 4 year PTIC cows being offered in 3 lots . . All cows in this lot 556kg plus at assessment .Saundridge annually sell their oldest age group as part of their Management program . All cows present in good strong condition with calves being weaned off them for 2 weeks at assessment . Saundridge have used Cluden Newry for many years , with a Landfall influence . An opportunity to purchase working Angus cows to take on as breeders with many years left in front of them .These cows present in good condition going into the winter and show length & depth and are quickly improving in condition & weight since calves have been weaned off, A great opportunity to secure true "Spring Calvers" with low age on their side. Note vendor has 3 lots this sale. Greenhams Never Ever accredited, JBS Farm assured, Grassfed only Antibiotic free. Approx 6 cows in the total 62 Cows being offered showing Ringworm that is not considered detrimental to the cows in any way.
