Assessor Comments	Buyers a top line of well-bred Shorthorn heifer weaners averaging 254kg. These young heifers are a very even and classy line, with only 25kgs from lightest to heaviest. They have excellent breeding behind them as the vendor has spared no expense on sourcing top quality AI genetics. They have good frame and length, and are displaying softness, depth, style and type. Going forward, these heifers should make up into great future breeders or alternatively continue to grow out into well finished yearling heifers suitable for all grassfed markets being Greenhams NE acc., JBS FA and NG/NA These heifer calves are all stud registered and are eligible for transfer (minimum purchase price \$1500 each) SB Heifer Tattoos: BPWV62, BPWV92, BPWV94, BPWV101, BPWV102 https://ssau.cgenregistry.com/Animal_Search.aspx Note: Vendor has one other lot in this sale
