Assessor Comments	Buyers the second line of well-bred Shorthorn heifer weaners averaging 203kg. The last few years the vendor has spent a lot of money on genetics which is starting to show with the style and type of these cattle! They are medium to large in frame and display good shape, style and type. Going forward, these heifers should continue to grow out into well finished medium to heavyweight yearlings suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA. Note: One heifer showing slight signs of ringworm, this is not seen as detrimental Note: Vendor has multiple lines in this sale
