Handled With	All steers were a pleasure to handle throughout the assessment process Bikes , On foot
Assessor Comments	Buyers the second line of well bred Shorthorn steer weaners averaging 232kg offered a/c Fonthill. These young steers have been weaned for 6 weeks now and are really starting to hit their straps! They were also extremely quiet to handle throughout the assessment process, and are a credit to the vendor. They are medium to large in frame and have good length, shape, style and type. Going forward, these steers should grow out into well finished medium to heavyweight steers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA Note: Vendor has multiple lines in this sale
