Assessor Comments	Buyers a small but nice line of well bred Poll Hereford heifer weaners averaging 211kg offered a/c Fonhill. These young heifers have been weaned for 6 weeks now and are really starting to hit their straps! They were also extremely quiet to handle throughout the assessment process, and are a credit to the vendor. A very even line with only 22kgs from lightest to heaviest! They are medium to large in frame with length, shape, style and type. Going forward, these heifers will continue to develop into well finished medium to heavyweight heifers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA Note: Vendor has multiple lines in this sale
