	Heifers were generally good to handle, showing normal yearling tendencies. The heifers would tend to trot in the big yards and needed some slowing through gateways. Heifers can become agitated when singled out, but settle quickly when returned to the mob. A number of heifers became agitated in the confines of the crush and exited quickly to return to the mob.

Assessor Comments	Buyers, on offer 55 top quality Angus heifers that are in store condition and ready to go ahead. Heifers show all the traits to hit the premium Angus cross Angus market. Heifers are well grown for their age and are expected to keep powering ahead and would be suited to be kept on as future breeders or finished out on grass, crop or grain. Buyers, please note two heifers presented with some blight scarring but was not deemed an issue. One heifer presented with white under the naval, and another heifer with a white face. Buyers, a nice great line of yearling Angus heifers for your competition.
