	Very quiet too handle.		
Handled With	Bikes , Dogs , On foot , Vehicles		

Assessor Comments: Top line of Angus X Angus Weaned Heifer calves. Calves are 7 - 9 mths of age and Were Weaned at Assessment, They

	will Remain in a Holding Paddock on Good Oaten Hay and Broken in until delivery. Vendor has been breeding Angus cattle for 24 years and always purchases at the top end when buying bulls ensuring the best genetics are filtering through the herd. Heifer calves are by Millah Murrah, Boorigal & Booroomooka Angus bulls, showing true to type Angus breed characteristics with good bone, length and conformation. Ideal Heifers to Keep as Future Breeders with a Wealth of Angus Breeding behind them or to background for the high end Angus grass or grainfed programs. Heifers were good to handle through the yards and crush. Note: Odd blue eye scarring- not considered detrimental.
