Assessor Comments: On offer is a quality line of Angus and Angus cross trade steers ready to go on with. Steers weighed 308-400kg at assessment to average 361kg curfewed. Steers have plenty of stand-up and scope and are ideal article to carry through to domestic and export feeder weights or take on to slaughter. Steers are only being sold due to property sale and requirement to vacate. Odd blue eye noted, not considered detrimental.
