Assessor Comments	A nice line of Eaglehawk blood heifers with Calves at foot sired by Eaglehawk bulls. heifers are bred from a self replacing cow herd based on Eaglehawk bloodlines, these heifers and calves are only being sold due to not fitting in vendors program, Heifers show good frame and are doing a great job on their calves. Given the right opportunity heifers should continue to go forward. A good opportunity to purchase a line of young females with their whole lives ahead of them. Calves are marked and had first 5in1 shot 1/4/25. Buyers please note vendor has other lot 79x81 2nd calvers in same sale.
