Assessor Comments	HDH Partnership "Arabadoo" present to the Market a quality line of PTIC Angus females due to have their second calves this year. These females were originally purchased from The Skipper family of Ollera Station Guyra NSW in 2023 as Weaner heifers, Tim & Becc calved these females down last year to their first calves. The lead end of this line present as good quality strong Angus Females showing good quality breed traits & genetics, they run down to a better medium frame female at the bottom end of the mob. They produced some quality calves last year & have been rejoined to top Quality Choice Angus sires to ensue you get some beauties on the ground for their second calves! Good females with all their lives in front of them.
