Assessor Comments	Total of 49 cows in the draft to sold as a run out the gate (25 & 24). Here we have an outstanding line of 4 year old PTIC Angus Cows A/c Rocking W Pastoral Co. These cows are in calf to Millah Murrah bulls & would suit the most astute buyer. Due to calve from the 27th of June for 8 weeks. In previous years all of these cows have been successful at getting in calf & rearing their calves with the dry cows sold every year. No expenses have been spared when sourcing genetics for this herd, only Millah Murrah bulls have been purchased for the past 7 years spending an average of \$20,000. Good tablelands cows like these represent a great opportunity to rebuild your herd using some of the best Angus genetics with plenty of life left in them. Rocking W won the best pen of steers at the CTLX blue ribbon weaner sale this year. 1 cow with pink eye scaring. Meat value reserve. Nobody regrets buying quality.
