Vendor Comments

Quiet, very well bred, great to handle, Outstanding quality females, impressed since day one, selling due to seasonal conditions. Rare opportunity to secure some of the high class Rosemount females

Assessor Comments	Buyers, on offer are an attractive line of 38 Angus PTIC Cows, 4-6 years of age (Majority 4 year olds, only 5 Cows are 6 year olds), averaging 602kg at assessment. Joined on the 29th of October for 6 weeks to \$40,000 + Millah Murrah Angus Bulls, (please refer to joining details to see SIRE ID's) a small portion of the Cows are AI'd on 22nd October to Millah Murrah Trigger (SIRE ID - NMM22T308). Set for an August / September Calf. Females are very well bred, being purchased from Carcoar Blue Ribbon Weaner Sales as Heifers, only the TOPS out of lines were purchased, being selected for type, breeding and temperament. These Cows exhibit tremendous length and depth, very true to type young Angus cows with a mountain of breeding, would be an asset to any herd. Buyers, a rare opportunity presents itself to secure some of the Rosemount Females, "reluctant sale due to trying seasonal conditions". Great opportunity to purchase front line breeders in the prime of their lives. BUY WITH CONFIDENCE
