Vendor Comments

A small line of well bred steers that have been weaned for 6 weeks, sired by excellent quality bulls. Steers are excellent to handle in yards and crush and a few could be suitable to feed on as show steers

Assessor Comments	A small line of good quality Limousin steers that have been weaned and are ready to go ahead, steers are excellent to handle in yards and crush with a few of the steers showing potential as future prime show steers. Would be ideal to take onto oats crop to grow out to trade weight steers
