Quiet: 29 head
Slightly Stirry: 4 head
Stirry: 1 head

Paddock

Weaners were a pleasure to asses, working calmly in and around the holding yards, force, race & crush with vendor also making the comment he draws the line quickly on any cow in his herd with bad temperament.

Handled With

Bikes , On foot , Vehicles

Notable Traits

Traits

1 Head ring worm
1 Head white navel
1 Head white udders

Assessor Comments

A complete drop of vendor bred Angus heifers, The Blewitt heifers have been yard weaned since the 05/04/2025. Being Talis, Rennyalea & Yallambee Angus blood they show an opportunity for someone wanting to purchase females to breed from while also representing an opportunity to grow out to feeder weights or fatten for kill grids. please note vendor also has a line of steers in same sale.
