Assessor Comments	An excellent line of 84 x August/ September 2024 Drop Angus Heifers. An opportunity to secure a line of weaned Hazeldean/ Pine Creek Blood Heifers. Bred in the renowned Masterton Herd, the heifers are by industry leading Hazeldean Sires out of a very good Pine Creek cow base. Masterton cow's are large framed fertile cows that are run under commercial conditions, buyers can take advantage of Masterton's long-term investments in leading genetics. The heifers are suitable to be retained as future breeders or back grounded for feeder or processor markets in the future. The heifers are in good health and have had their booster vaccination 7 in 1 B12 and drench for buyer convenience and heifer performance. Sought after by repeat buyers the heifers will offer purchasers the chance to secure leading genetics that will offer weight gain straight away. Highly recommended heifers from a well-regarded local herd. Buyers please note: Masterton Pastoral will offer 71 x weaned steers in today's sale.
