Assessor Comments	On offer the Total drop! of a very good quality of line of vendor bred Weaned Angus steers. All calves are showing great frame & depth and have been progressing extremely well on an oats crop for the last month since weaning. Calves have been met with an exceptional season since birth and have not had a set back. A very well bred line of calves that will continue to perform if given the opportunity. Please note: 2 calves in lot with white on stomach & vendor will offer a top draft
