Assessor Comments	EU accredited Rennyalea & Dunoon blood weaned steers. Aug/Sept 2024 drop. Steers show plenty of growth and frame for age and have done very well in one of the Upper Murrays toughest seasons. Weighed into a very tight 40kg grouping these steers are incredibly even. Cattle present in forward store condition and are ready to give out some compensatory gain if shown an opportunity. Large tail removed at assessment. Cattle that have enjoyed support from repeat buyers. 186 of the Hanna Pastoral lead steers on offer in 2 lots. Please note optional payment terms specified.
