Assessor Comments	Bernside Holdings are offering a tremendous opportunity to purchase an even line of Wagyu x Angus F1 M/Sex Weaners that are an ideal article to background into a feedlot specification. Sired by a Fullblood Wagyu bull MOYHU P199, which is a direct grandson of the world famous "WORLD K'S MICHIFUKU WKSFM0164". Traditionally these animals are sold to repeat buyers from corporate feedlots who are consistently impressed with their performance & marbling ability, but unfortunately the seasonal conditions have not permitted our Vendor to carry these animals through to greater weights
