Assessor Comments	Excellent line of EU accredited Poll Hereford Weaner Steers. The Senior Park herd has had an outstanding reputation for high quality Poll Hereford cattle for many years. This group are the lead draft. Extremely well grown considering worst season ever. Present in strong forward order well weaned and well bred, ideal order to go on feed, great compensatory weight gain expected. Very odd Steer with a mild case of warts on neck. Traditionally retained to grass fatten to export slaughter weights. Have also previously been purchased as feeders or to grass fatten with a great deal of success. A good opportunity to purchase genuine breeder's cattle.
