Assessor Comments	A well-bred quality line of 69 Black Angus March/April 2024 drop heifers. With frame on their side, these heifers will move forward quickly on feed. The heifers will present in fresh, forward store condition. They are in ideal condition for a feedlot operation, or can also be purchased as a future line of breeders. They are Never Ever accredited, and PCAS eligible. There has been a small tail drafted out of the bottom end. They are yard weaned , and have been drenched and vaccinated. Three heifers exhibiting signs of old warts around the head and neck area, and three showing signs of old pinkeye scarring. This vendor also has another line of 74 heifers to be offered in the same sale. Put the two lots together to make a road-train.
