|                        | Cows & Calvers were a pleasure to assess with the exception of 3 cows becoming slightly stirry with the extra attention. All cows settled down well when back with the mob.                                                                                                                                                                                                                                         |                                                                                      |                             |
| Handled With           | Bikes , Dogs , Horses , On foot                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                      |                             |
| Assessor Comments      | Buyers this is a dispersal sale of genuine breeders that have been doing an excellent job for the vendor. Being 10 first calvers and 1 second calver they are done a cracking job raising their calves with an average weight of 199kgs. They have been joined back to Kandanga Valley & AYR Charolais and Brangus Bulls. Please see photos and video for your satisfaction. Vendor has other lots in this auction. |                                                                                      |                             |
| Assessor               | Mitch Jackson (Level 1 Accredited) Phone: 0498 670 392                                                                                                                                                                                                                                                                                                                                                              |                                                                                      |                             |
