Assessor Comments	A/c Kadacotani of Rutherglen offer 7 PTIC Speckle Park Heifers. These females are medium frame relative to their age and are PTIC to a low birth weight Speckle Park bull Keiross T35. They were joined to the bull on the 3/8/24 to 13/10/24 and were all PTIC to commence calving mid May. These heifers were purchased out of NVLX Barnawartha with the plan to calve them down. Due to a change in the vendors work commitments these females present an opportunity for any level of operator to secure with their extremely quiet temperament and their whole lives in front of them. Vendor offers to deliver heifers to NVLX Barnawartha saleyards free of charge
