These heifers worked up the race and through the scales very quietly. with the exception of 2 they all stood quietly while being weighed. They were all very settled and quiet to walk through in the yards and pen up. None stirred up in the pound.

Assessor Comments: On offer is a nice line of soft Simental and Charolais cross bred heifers. These heifers are out of a cow herd that has been using Simental as its base for many years. Sires are from Billa Park, Moongool, Casa Toro and Summa Simental and Bettafield Charolais. These heifers have the makings to be future breeders they show kind temperament and are out of cows that are preg. tested yearly to ensure fertility. in the herd. They are from a cow herd that has a mixture of Simental Droughtmaster and a splash of brahman and can best be described as a soft X bred cow herd. It was observed that 2 heifers had fly bite, and 1 heifer has a couple of warts under her offside eye. Lighter sisters in the same auction. SPECIAL NOTE: DUE TO ROAD CONDITIONS FROM RECENT WEATHER EVENT THE VENDOR IS OFFERING TERMS OF 1 MONTHE DELIVERY, 1 MONTH PAYMENT AND 1 MONTH FREE AGISTMNET ON EXCELENT FEED.
