| Assessor Comments      | Lead draft of EU accredited Poll Hereford steers. Steers out of medium to large cow herd of Wirruna blood Steers only show light fat cover though with very good potential with nice bone and depth of body. Steers were yard weaned and were very easy and quiet to handle at assessment. Only selling due to deteriorating season normally retained and taken out to heavy feeder weights. Buyers please note vendor has 60 steers in the second draft in todays sale. |                                                              |  |
