Assessor Comments	Second draft of EU accredited Poll Hereford steers. Steers out of medium to large cow herd of Wirruna blood Steers only show light fat cover though with good potential with nice bone and depth of body. Steers were yard weaned and were very easy and quiet to handle at assessment. A tail was removed ant assessment. Only selling due to deteriorating season normally retained and taken out to feeder weights. Buyers please note vendor has 73 steers in the lead draft in today's sale.
